

MOKENA BOOK Club had a float that gave a reminder to residents that on Aug. 6 there is to be a referendum on establishment of a district library. The present library, which depends upon the state library for most of its books, is at the end of its rope. The state is cutting off all aid to non-tax supported libraries.

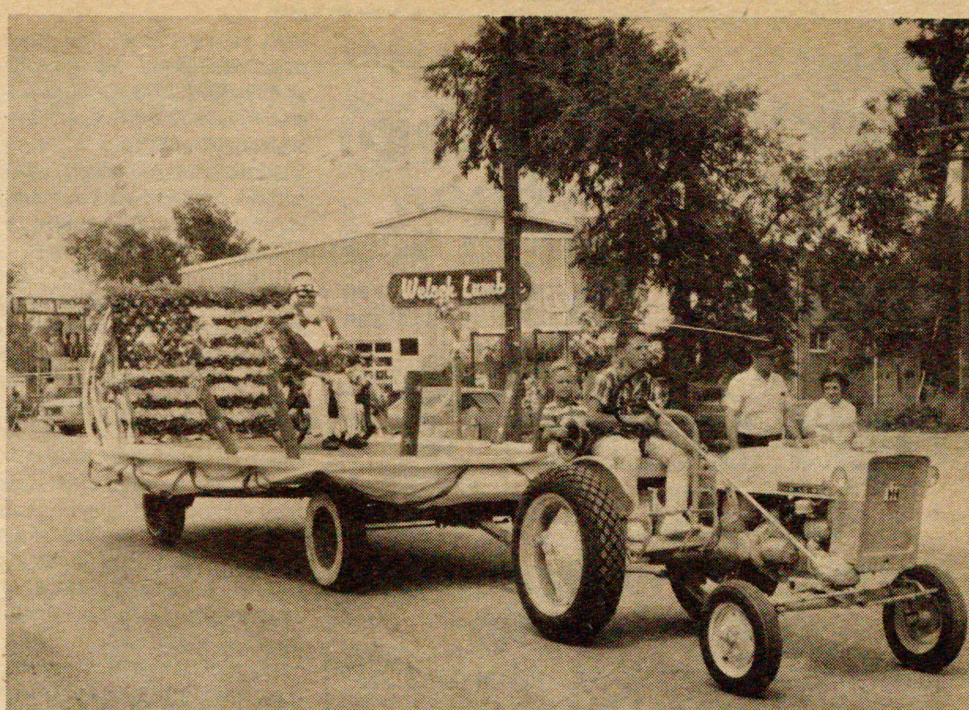

COLOR GUARD leading Mokena parade was furnished by the Veterans of Foreign Wars of New Lenox. When this picture was taken on Wolf Rd., the guard had halted to loose a volley to give an old fashioned sound to the Fourth.

MOKENA BURROS, the midget football team representing the community had a float in the Mokena July 4th parade that was built in the form of a football field, with bleachers on both sides.

DRILL TEAM from Momence, the White Tornadoes, added to the color of the Fourth of July celebration at Mokena. The group moved in changing formations, and performed various maneuvers without missing a step or continuing its forward movement. The judge picked it as best of the show.

IN KEEPING with the spirit of the day was this float in the Fourth of July parade at Mokena, entered by the Women's Auxiliary of the Mokena Volunteer Fire Department. The figure of Uncle Sam occupied the center of the float against a floral flag. It was placed second by the judge.

Mokena Man Drowns At Morris; Rites Wednesday

Funeral services were held yesterday afternoon for a Mokena man who was drowned Sunday evening (July 3) at Morris when he started to the aid of his brothers who were in a burning boat.

The drowning victim was James Roberts, 24, 19516 Midland Av., where he lived with his aunt and uncle, Mr. and Mrs. Frederick P. Werner, who had raised him from infancy.

He was at Stratton State Park, Morris, with his two brothers, Williams, 28, and Jack, 14, of New Lenox, and another boy, Gary Pearson, 13, also of New Lenox. William and Jack were in an inboard motor boat at a point where Mazon Creek joins the Illinois River.

The engine on the boat caught on fire and James Roberts started out to give his brothers aid. There was a sandbar and the water ran shallow for a distance off shore and then deepened suddenly.

Roberts suddenly disappeared and did not return to the surface. There was speculation that he may have suffered a cramp, seized by an undertow and held down or suffered a heart attack. It was about 8:45 when the accident occurred and it was 9:30 before the Morris fire department rescue squad recovered the body.

Mrs. Werner, a sister of his father, Dean Roberts, said that James had told her that he had learned to swim in the army but he was not an expert. He had served in the army three years, having been discharged July 9, 1965. His services included 13 months in Korea and a month of duty in Alaska. For the past six months he had been employed as a machinist's helper by U.S. Industries.

His father, who had remarried, died two years ago and his mother, Margaret, died when he was three months old.

Besides his foster par-

ents, Mr. and Mrs. Werner, and his two brothers who were with him at Morris, James Roberts is survived by three sisters, Mrs. Margery Ellis, Mrs. Carrie Neubauer, and Miss Diane Roberts, New Lenox; two foster sisters, Mrs. Rita Wagner, Tinley Park, and Mrs. Joyce Cupp, Mokena; his paternal grandmother, Mrs. Carrie Roberts, Mokena, and his maternal grandmother, Mrs. Belle Corson, of Urbana, Ill.

Removal was to the Hirsch Chapel at Tinley Park where there was visitation Tuesday and Wednesday morning. Funeral services were conducted Wednesday afternoon at 2 o'clock in the Mokena Methodist church with the Rev. Robert Watson officiating. Interment was in the Marshall Cemetery, New Lenox Township.

LET FREEDOM RING was the theme of the float entered in the Fourth of July parade by the Mokena Woman's Club. It was given first prize. All of the Armed Services, the USO and the Salvation Army were represented and in the center of a float was a bell. (Graphic Newspapers photos)

Only modern electric heat is as clean as the sun

Electric heat is unlike any other type of home heating. It's flameless—it burns no fuel, and it keeps your whole house cleaner, more comfortable. And because an electrically-heated home stays clean longer, wall washing and redecorating are kept to a minimum.

With electric heat, you can pick the type of heat you want. There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system may be used separately, or several may be teamed together.

If you're planning a new home or thinking of converting your present heating system, check into electric heat. You'll find that it's the most modern, convenient type of home heat today. And it's clean.

For more information about electric heating, call our nearest office.

FRANKFORT FIREMEN had their modern apparatus in the Mokena parade but added a light touch with this clown group riding one of its early rigs. In fact this goes back to the days when the Frankfort department became motorized. The rig is kept now for parade purposes. It took fourth prize.

ELEPHANTS AND parades go together, like ham and eggs, and while there were no live pachyderms in the Fourth of July parade the Orland Township Republican organization had this papier-mache elephant towering above the crowd, the symbol of the party.

Biancos of Joliet Take LEAC 11 to 6

On Thursday, June 23, at Frankfort Park, the Lincoln Estates Athletic Club lost the second game of the season to the Bianco No. 2

Need Drivers For Canadian Camping Trip

Joe Devine, athletic director at Sandburg High School, who is planning to take a group of boys on a fishing trip to Canada, is looking for drivers for the expedition.

The trip will be to Black Bear Camp, Ontario, and is scheduled to leave Aug. 8. The drivers must be at least 25 years old, Devine said, and they will have their expenses paid. Anyone interested may call Devine at 349-0052.

He took a group to Canada last year and it was so successful that it was decided to repeat it this year. Some of those made the trip last year are going again.

team of Joliet, 11 to 6. Biancos took an early lead scoring one run in the first and three in the second inning. The LEAC came back to score four runs in their half of the third, then added two more in the bottom half of the fourth, to take the lead 6 to 4.

Biancos were not ready to admit defeat and came back scoring five runs in the top half of the fifth inning and added two more in the top of the sixth as LEAC defense, for the second time this season, faltered.

Dan "Bull" Wonderasek absorbed his second loss, but delighted the LEAC fans by contributing a home run, a double, a single, and drove in 3 runs. Gene Hug added a pair of doubles to the poor offensive attack and Jake Setter had a pair of hits.

Lincoln Estates AC offense left much to be desired and the fans had little to cheer about. A summary shows the Biancos had 11 runs and 14 hits; LEAC, 6 runs, 11 hits.

Judges of the Mokena Fourth of July celebration parade picked the White Tornado, a girls' precision drill team from Mokena, as best in the show.

First prize for the floats went to the Mokena Woman's Club entry, the theme of which was, "Let Freedom Ring."

Second prize went to the Women's Auxiliary of the Mokena Volunteer Fire department. A life size Uncle Sam in his traditional red, white and blue costume, occupied this float.

Third prize went to Frank's Insurance Agency and the Frankfort Fire Department Clown Rig, an ancient piece of fire fighting equipment took fourth prize.

The judges were Mrs. James Quinn, Mrs. Polly Ryan and Lyman Teague Sr.

The Mokena Book Club had a float in the parade that reflected the service the library gives a community. Youngsters on the float carried posters bearing the names of fairy tales and in the center was a Wishing Well.

The Mokena Burros, mid-get football entry, had a float with a football field in the center, flanked by bleachers of paper surmounted by flags.

Fire departments from all neighboring communities had entries in the parade and the Veterans of Foreign Wars of Mokena had a rig and a delegation in the line of march. Mokena and Will County Auxiliary police led

the parade.

The parade started at the Carpenter Street School grounds and ended in Community Park. Despite the heat the line of march was lined by spectators.

There was a big fireworks display at the Park the night of the Fourth. The Fourth celebration at Mokena is sponsored by the Chamber of Commerce and the Mokena Lions Club.

Mother Of Orland Park Woman Dies

Mrs. Emma C. McQuitty, 72, who came to Orland Park 10 months ago to make her home with a daughter, died last Friday, July 1, at Maple Farm Convalescent Home, Midlothian, where she had been a patient for six weeks.

Removal was to the Schmaedeke funeral home at Worth and the body was taken from there to Flint, Mich., Monday for funeral services and burial.

Mrs. McQuitty came to Orland from Flint, to reside with her daughter, Mrs. Shirley Pepe, 8241 Paloma Drive. Also surviving is a son, Herman Berg, Iron Mountain, Mich.; and two other daughters, Mrs. Edna Busch, Layton, Calif., and Mrs. Mabel Reynoldson, Albion, Mich.; also three grandchildren.

Right-Of-Way Dispute Results In Shooting

Edward Prospero, 61, of Olympia Fields, operator of the airport bearing his name at Tinley Park, has been charged with attempted murder and aggravated battery as a result of an alleged altercation with three employees of the Illinois state highway department on Wednesday of last week.

Prospero's airport, in the vicinity of 185th and Oak Park Av., was taken by the state for right-of-way for I-80. Prospero refused to accept the state's offer and condemnation proceedings followed. At the hearing Prospero was allowed \$207,000 for his holdings which is above what the state had offered so the state has taken an appeal.

In the meantime the highway department apparently wanted to do something at the airport and three of its workers appeared there.

The trio said Prospero came out of a hangar and

yelled:

"This is private property. Get out."

According to Cook county police, who later handled the case, the three state workers claim that as they drove off in a truck they heard a shotgun blast. One of the men Ronald Nass, 21, 8400 132d St., Palos Park, a summer engineering aid, had his arm out of the window, police said, and was hit by 45 pellets. He was taken to South Suburban Hospital, Hazel Crest. The other two in the truck were Michael Griffin, 34, a civil engineer, Evergreen Park, and Raymond Kristopatis, a technician.

Police said Prospero admitted firing a gun but thought he had fired over the truck.

The state crew went to Tinley police, who referred them to the sheriff's office because the airport is outside the village.
